[Docket No. 2021-37-T](#) – Application of Kiawah Island Community Association, Inc. for Class C (Charter) Certificate of Public Convenience and Necessity for Operation of Motor Vehicle Carrier - Staff Presents for Commission Consideration Kiawah Island Community Association, Incorporated's Request for Exemption from the Requirements of S.C. Code Ann. 58-23-80, Reg. 103-153.1.

**COMMISSION ACTION:**

Mr. Chairman, I move that the Commission grant the exemption requested by the Applicant from Commission Regulation 103-153.1, vehicle ID markings' requirements, for the two vehicles listed by the Applicant: A Toyota Sequoia and a Mercedes vehicle, as well. The Applicant states that its customers are solely members of the Applicant's private club and the vehicle is not available for charter by non-members. Since the vehicle may not be chartered by any non-member, no signage is necessary, and waiving the regulation is not adverse to the public interest in this particular instance. Therefore, I move that a waiver of Regulation 103-153.1 is appropriate, and so move.
